To: Supporters of Western Monmouth Habitat for Humanity

The Board of Trustees of Western Monmouth Habitat for Humanity (WMHfH) announces a new and exciting way for Habitat supporters to help fund our home construction program and build even more homes.

We have formed a WMHfH Carpenter's Club. By joining our Carpenter's Club you pledge to make a financial gift each time we begin construction of a new home or rehabilitation of an existing home.

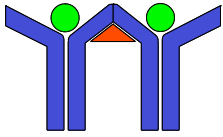

As a member of the Carpenter's Club you will:

1. Receive a lapel pin with an appropriate Habitat symbol upon receipt of your pledge card,
2. Receive an announcement of the commissioning of each new project with a reminder of your pledge,
3. Be listed in the Carpenter's Club section of our Newsletter by the name you provide, with our thanks for being a valuable Habitat partner,
4. Receive an advanced invitation to all WMHfH project groundbreakings and house dedications where you can meet the partner family designated for a particular home.

We are truly excited about this program, which is already in place in many Habitat affiliates across the USA. The Carpenter's Club provides the following benefits:

- Having a known financial pledge makes initiating and planning each new home easier and therefore encourages homebuilding.
- A per home pledge allows the board to focus more on our primary goal of providing affordable homes for people in need and less on associated activities such as fund raising.
- Specific pledges allow us to personalize our thanks to outstanding supporters.

We suggest the following guidelines for your per house pledge:

Club Level	Per House Pledge*
Apprentice Carpenter	\$10 to \$99
Carpenter	\$100 to \$499
Master Carpenter	\$500 and above

* We are currently constructing or rehabing approximately 2 houses per year.

A Carpenter's Club pledge card is enclosed below for your use. Please mail it to our Office. Note that all gifts to WMHfH are tax deductible. Should you have any questions or concerns please call the office at (732) 308-3400.

Also please feel free to join us at a construction site or at one of our many support activities. Please access our web site at WestMonHabitat.org to volunteer or find additional information on current activities.

Sincerely,

The Board of Trustees
Western Monmouth Habitat for Humanity
